CONSTRUCTING SKILLS

Laidley

GET PAID TO KICK-START YOUR CONSTRUCTION CAREER!

This is a **20-week paid traineeship** where you earn while you learn — gaining real hands-on industry experience and walking away with a nationally recognised Certificate I in Construction.

Whether you're just starting out or looking to change direction, this program builds the foundation skills and knowledge you need to land an apprenticeship in any construction trade — and shows employers you're ready for the next step.

Program Includes

- 20 Weeks of Paid Employment
- Cert I in Construction
- A mix of practical and theory-based learning
- Full time onsite mentor for support
- Onsite Work experience to build real-world skills
- Travel assistance to site each day
- Career Mentoring and work placement
- Daily Lunches provided

This program is designed to support job seekers in building the skills and confidence needed to successfully transition into the workforce.
